mp See the grace-ful wav-ing corn, Wav-ing, wav-ing

on 'till morn; Such good food we child-ren know,

Makes us grow and grow and grow. *mf* See the blades so

green and long Feed-ing the ear that makes the corn.

Grow-ing the beads so ev - en and bright, Wav-ing the tas - sels

pure and white. *p* Tired from play and ready for bed,

Finding the table with good things spread, Folding our hands we

bow our heads, "Give us this day our dai - ly bread."
